If you are not named to play on court 2 or 3 then just turn up and play on court 1 **but if people are missing from the rota the spares must fill these places first. Also please make sure you are available to play until 10.30.** If you are named to play and cannot play on a certain date, **you must find a replacement.** However if you still can't find a sub you must inform the other three players. Enjoy your games, Judy.
